

SERVICE MANUAL

DAIHATSU

TYPE EJ ENGINE

FOREWORD

This manual is a version supplemental to the Service Manual Type EJ Engine.

The newly-develop Model M200 series, whose are mounted the Type EJ engine and Type K3 engine, have been carried out from DAIHATSU.

This time, the Type EJ-DE engine and Type EJ-VE engine have been partly modified.

In line with this, we have here published the revision 4, in which the sections that have been changed are posted on following page.

As for sections and items that will not appear in this revision 4, please refer to following service manuals given below.

Publication Name	Publication Code	Issuance Date
EJ Engine Service Manual	9722	April 1998
EJ Engine Service Manual Revision 1	9726	October 1998
EJ Engine Service Manual Revision 2	9733	April 1999
EJ Engine Service Manual Revision 3	9734	May 2000

All information used in this service manual was in effect at the time when the manual was printed. However, the specifications and procedures may be revised owing to continuing improvements in the design without advance notice and without incurring any obligation to us.
